

BRITISH ASSOCIATION OF REHABILITATION COMPANIES

BARC LAUNCH – 5 MAY 2009, Jubilee Room, House of Commons

Thank you for being part of the BARC launch. We hope that you will join us in taking an active role to represent rehabilitation providers in the UK.

A Working Council has been formed with a view to shaping development of BARC, pending election of a Council by its members, to be held in March 2010. Contact details for those regularly attending the Working Council meetings are listed at the foot of this page with roles assigned, for information.

Membership

Membership is open to corporate members who will have full membership with voting rights. Sole practitioners are eligible as associate members without voting rights.

BARC members with voting rights should be strategic decision makers within the organisations that they represent and this would particularly apply to those that would be eligible to be elected to the BARC Council.

Applications for membership will incur a £100 joining fee in 2009 (£50 for Associates)
Annual membership would be £100 (£50 for Associate membership)
Additional applications after 1 January 2010 will be £150 (£50 for Associate applications)

- Band 2 25 to 50 employees (to have 2 votes)
- Band 3 3 to 25 employees (to have 1 vote)
